## Leadership Covenant

---

As a leader in a Vineyard context, I recognise the privilege and responsibility of representing Christ and serving His people. With God's help, I commit to:

### **1. Live Connected to Christ and Community**

Remain rooted in the Word, prayer, and personal spiritual formation. Model a life of worship, repentance, and growing in Christlikeness. (John 15:5)

### **2. Lead with Integrity and Faithfulness**

Use my influence to serve others, not to control. Be accountable, trustworthy, and transparent in all areas of leadership. (1 Peter 5:2-3)

### **3. Uphold the Vineyard Vision and Values**

Serve in alignment with the mission, theology, and distinctives of the Vineyard movement. Champion our Kingdom-centred culture: naturally supernatural, inclusive, compassionate, and Spirit-led. (Luke 4:18)

### **4. Create Safe and Respectful Environments**

Abide by all Safeguarding principles and policies and promote a culture of care and accountability. Never exploit spiritual authority or violate relational boundaries. (Micah 6:8)

### **5. Be Good Stewards of What We Have Been Entrusted With**

Handle church property, information, and relationships with integrity. Avoid conflicts of interest and represent Christ in all areas of life. (1 Corinthians 4:2)

### **6. Be Accountable in Leadership and Growth**

Remain teachable, submit to feedback, and inform leaders of issues affecting your ability to lead. (Ephesians 5:21)

I make this covenant as a follower of Jesus and a leader within Cabramatta Vineyard Church, submitting to His Lordship and to the mutual accountability of the Body of Christ.
